Computer Science and Automation
Indian Institute of Science

Y. NARAHARI, Ph.D.
FNA, FASc, FNAE, FNASc, FIEEE

August 5, 2018

To whosoever this may concern:

This is to certify that C. Akshay, student of undergraduate program in computer science, from the Shiv Nadar University was an intern in the Game Theory Lab at the Department during June 4, 2018 till August 4, 2018.

Duing his internship, Akshay completed a variety of programming and paper reading assignments in game theory and machine learning. He has identified several research directions for further exploration. I rate his performance as outstanding. I wish him all the best in his future pursuits.

Sincerely,

Y. Narahari, Professor, Computer Science and Automation, Indian Institute of Science, Bangalore – 560 012, INDIA. Email: hari@csa.iisc.ernet.in   URL: http://lcm.csa.iisc.ernet.in/hari Phone: 080-22932478, 22932773
